Ganesh Havile

Analyst/Software Engineer

Base Location: Bangalore
Email ID: ganesh.havile@capgemini.com
Mobile No: +91 9637731476
Grade: A4

Strengths

- A self driven learner with Front-End and Back-End knowledge. Passionate about implementing and launching new projects.

- Ready to learn new technologies/Frameworks and implement them to further improve my knowledge.

- Experienced in working on challenging projects and ability to work under pressure to prompt deadlines.

- A team player with good communication skill always ready to work for the enrichment of knowledge.

- Has working knowledge on React and Java using Spring framework on an intermediate level.

Achivement

Online Railway Reservation System Application

Completed end to end case study of Online Railway Reservation System Application using Spring boot and React used for user interface. If is a double-role application project i.e. Admin and User, where Admin will have the main control over the system. Admin will be responsible for maintaining the system and also keeping a check on the availability of trains, and updating any details related to the reservation system. On the other hand, User can register themselves and can do online booking for trains.
